OVERVIEW

Detached house with a large garden and pool for sale in Boscos de Tarragona.

Lucas Fox Tarragona exclusively offers this detached house with a beautiful garden with a pool, located in the Boscos de Tarragona development, near the shopping centre and the bus stop.

Upon entering, we find a well-kept garden with outstanding palm trees and other plants and bushes, as well as a swing area perfectly set up for the little ones. Next, a large pool is arranged with different corners to incorporate hammocks or sets of exterior furniture. Thus, different areas are offered for rest and enjoyment. Finally, there is a wonderful porch made of natural wood and with a barbecue, to enjoy pleasant evenings.

Once inside the property, the entrance hall leads us to the bright living room with fireplace, with access to a terrace. The terrace is very spacious and has several spaces for use and always with views of the magnificent garden with pool. A kitchen with a dining area, a full bathroom and a double bedroom with a wardrobe, as well as a separate room for the washing machine and pantry complete this ground floor.

We return to the entrance hall and access the upper floor, where we find three double bedrooms with wardrobes, including the main bedroom with a private bathroom and attic space. All bedrooms have access to a large terrace. From the terrace, we can partially observe the sea horizon and of course our splendid garden.

The lower ground floor has several rooms: an authentic wine cellar, a large games room, two storage rooms and the garage for vehicles, in addition to the fifth bedroom with its private bathroom, for guests or amenities and perfectly conditioned.
