### OVERVIEW

## Exceptional rustic detached house among pine forests, with views of the horizon to the infinite sea on the Costa Daurada.

Lucas Fox presents this magnificent 389 m<sup>2</sup> property , located in one of the most exclusive and charming areas of the Costa Daurada, in La Mora. With a rustic and refined style, this property masterfully combines the nobility of traditional materials with the comforts of modern living, creating a warm, serene, and authentic atmosphere.

Located next to a protected natural area and with direct access to Cala Jovera, the house rises among pine forests, offering privileged views of the sea and Altafulla Castle. It's the perfect place to lose yourself in sunset walks, immerse yourself in the murmur of the forest, and connect with nature in its purest form.

A charming entrance hall welcomes us and marks the beginning of a fluid journey through the main floor . The spacious living room, dominated by a traditional fireplace , opens onto a terrace with views that inspire calm and contemplation. The living room also leads to a separate kitchen , which has its own terrace overlooking the castle and the Mediterranean horizon.

On this same floor is the master suite, a bright and welcoming room with a dressing room, private bathroom , and sea views that can be enjoyed even from the bed. A true delight for the senses. This floor is completed by two additional bedrooms that share an elegant and functional bathroom .

The lower floor , connected by stairs and an elevator, houses two more spacious, bright double bedrooms that share a full bathroom . From here, you can access a large terrace with a heated indoor pool, ideal for enjoying in any season. Further along, another terrace offers an intimate space with an exterior jacuzzi, perfect for relaxing while gazing at the endless blue sea.

On this same level is the access to the private garage. In addition, an exterior walkway connects the different levels of the property, winding through the trees, like a small bridge linking the home with the essence of the Mediterranean forest.
