OVERVIEW

Stunning five-bedroom duplex, located in a luxurious residential complex overlooking the idyllic Canyadell de Torredembarra cove on the Costa Dorada.

Wonderful ground floor duplex with a garden terrace and direct access to the idyllic Cala Canyadell, next to the Roman villa of Els Munts, declared a World Heritage Site by UNESCO.

This completely exterior property has been recently renovated with high-quality materials and finishes, and is spread over two floors.

It has five double bedrooms and three bathrooms. On the ground floor, a spacious living-dining room with an integrated designer kitchen opens onto the large garden terrace, where there is a cozy relaxation area with an exterior kitchen and barbecue: a space designed for outdoor enjoyment year-round.

The duplex is part of an exclusive residential complex with concierge service, a heated indoor and exterior pool, a gym with a fitness area and sauna, and a well-kept communal garden . From the complex itself, there is direct access to Cala Canyadell, one of the most beautiful and unspoiled beaches on the Costa Dorada.

Upon entering the property, a spacious entrance hall with a built-in wardrobe welcomes us. From there, a corridor leads to a double bedroom with a study area, a full bathroom , and the large living-dining room, connected to the exterior through a large sliding glass door that provides exceptional light and creates a harmonious transition between the interior and the terrace.

An elegant staircase with a glass railing leads us to the upper floor , dedicated to relaxation. Here, we find a spacious hall, two double bedrooms with large windows, a full bathroom , and the master suite: a serene retreat with a dressing room and ensuite bathroom .

The property features high-quality details, such as high-end Finstral enclosures, a Ficht reinforced door, automatic awnings, natural wood decking exterior , and an efficient air conditioning system.

It also includes two large parking spaces in the same building, equipped with an electric vehicle charger (Wallbox), and a storage room.
