OVERVIEW

3-bedroom property to be renovated in the urban center of Tarragona

Lucas Fox offers them an apartment located in the centre of Tarragona, a city declared a World Heritage Site by UNESCO thanks to its valuable Roman legacy. This apartment is located on the Rambla President Lluís Companys.

The 126 m² property offers an excellent opportunity for those seeking space, light, and location, with the added benefit of being able to renovate it to their liking. It features three bedrooms, a large terrace with open views of the city, and a parking space and storage room included in La Finca.

Upon entering, we are welcomed by a entrance hall with built-in wardrobes that leads to the day area. The generously sized living room opens directly onto the terrace and connects to both the kitchen and the night area. A bright corridor leads to the separate kitchen and the bedrooms and two complete bathrooms. Natural light flows throughout the property thanks to its large windows.

A property with great potential, ideal for those who value spaciousness, natural light, and a strategic location with all amenities within reach.
