### OVERVIEW

## Renovated 130 m<sup>2</sup> penthouse with private terraces, natural light, and panoramic views of Tarragona

On one of the most charming and emblematic streets in the centre of Tarragona, this unique penthouse of almost 130 m<sup>2</sup> has been recently renovated with an exquisite balance of light, spaciousness, design, and comfort. An urban retreat bathed in clarity and good taste.

The property features four bedrooms, designed to adapt naturally to different lifestyles: from a family seeking spaciousness to those seeking spaces for reading, working, or relaxing. Two complete bathrooms, clad with fine materials and a harmonious interplay of textures and colors, elegantly complete the night area .

The soul of the home lies in its spectacular day area: an open-plan space that connects the living room, dining room , and a designer kitchen with a central island. With high-end finishes, ample storage space, and clean lines, the minimalist and inviting design blends with the warmth of the materials and the generous natural light.

The penthouse has two private terraces.

One, open to the city, offers the perfect setting for a sunset dinner or a quiet break under the sky.

The other, south-facing and closed, receives constant light throughout the day, with delicate views over the rooftops of Tarragona.

The property stands out for its quality finishes, combining materials such as natural wood, classic Catalan hydraulic mosaics, and large-format porcelain tiles. The exterior carpentry is made of PVC with double glazing. Every detail has been carefully considered, showcasing excellent taste and aesthetic harmony.

Thermal comfort is ensured thanks to a heat pump air conditioning system with two outdoor units, complemented by gas heating. Everything is set up to ensure you can enjoy a comfortable home year-round.

The property is surrounded by all essential amenities , just steps from the Central Market, Parque Central, and El Corte Inglés, and very close to the train and bus stations. A pleasant walk takes you to Miracle Beach or the Serrallo neighbourhood , where local cuisine becomes an experience.
