OVERVIEW

Single-storey stone house of 331 m² next to the beach of l'Arrabassada, Tarragona, with an extensive garden with views of the beach which is just a few metres away.

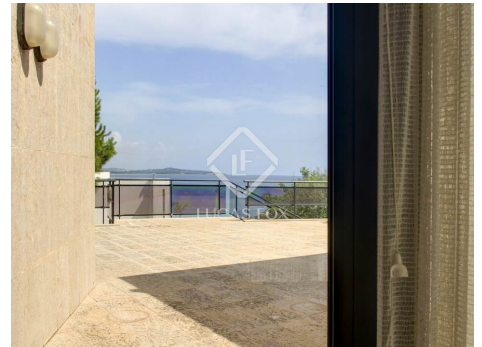

This house, located in Antibes, offers the luxury of living in a natural environment a few minutes' walk from the centre of the city of Tarragona. The house is built in stone and the finishes of the interiors are of high quality, with natural wood furniture in most of the 7 bedrooms.

The house is spacious and offers a large living room with access to a terrace and sea views. Also facing east we find 2 bedrooms and the kitchen. The views from this façade allow you to see the entire beach and the coastline up to Punta de la Mora and the horizon. An office completes this side of the house.

The rest of the bedrooms and the 2 complete bathrooms are on the rear façade, making them cooler and quieter. The garden surrounds the entire house and has several trees and a swing.

The basement offers a large parking area, suitable for up to 3 vehicles. The same floor has a room that can be used as a storage area.
