Apartment for rent in a fully renovated historic building in Tarragona

Apartment located in a historic building, with high quality architectural refurbishment, near the beach of El Miracle in Tarragona.

Luxurious home in a building dating back to 1890, located a few minutes from the beach of El Miracle, the Rambla Nova and the train station.

The apartment has high ceilings decorated and with a restored beam system, including capitals. The property has been renovated following an interior design project of high architectural value that combines the classic elements with technological materials and a rational style that makes it unique.

The home has a spacious living room from which you access a large dining room that, visually, joins the kitchen, but is separated by a secured glass partition.

The night area consists of 3 bedrooms. The first one benefits from a private bathroom and dressing table, and the other 2 large double bedrooms share a complete bathroom that, in turn, acts as a guest toilet. The property also has an impressive study area.

An elegant and exclusive home, suitable to satisfy even the most discerning clients.
