### OVERVIEW

**Discover a new standard of luxury living on the Costa del Sol with Sky Villas, the latest exclusive release within the secure gated community of Finca de Jasmine. Perfectly situated in the heart of the renowned Golden Triangle.**

Set against a backdrop of dramatic mountain scenery and sweeping views of the Mediterranean, Sky Villas invites you into a world where elegance meets tranquility. Just five minutes from the charming whitewashed village of Benahavís and a short drive from Puerto Banús, the location offers seamless access to the area's best beaches, golf courses, fine dining, and high-end amenities—yet remains a peaceful haven, surrounded by lush greenery and rolling hills.

#### An Architectural Statement

Designed with an organic architecture philosophy, each villa is carefully integrated into its natural surroundings. The architecture is modern and refined, with clean lines, expansive windows, and natural materials that create a harmonious relationship between indoor and outdoor spaces. Every detail has been curated to enhance well-being and celebrate the panoramic views across the coast and countryside.

#### Exclusivity in Every Detail

The Sky Villas are limited in number and designed for discerning buyers seeking exclusivity, space, and flexibility. Each villa spans multiple levels, with private underground garages and lift access directly into the home for ultimate convenience and discretion. Depending on the layout, the villas offer between three and five bedrooms, expansive terraces, private gardens, and the option to add a private pool, gym, sauna, or spa area.

Sky Villas at Finca de Jasmine is more than a home—it's a sanctuary. A place where the Costa del Sol's vibrant lifestyle and natural charm meet sophisticated design and seamless luxury.
