OVERVIEW

Luxury villas with spacious plots featuring beautiful private landscaped gardens, a cinema room, gym, outdoor kitchen, and large bedrooms with en-suite bathrooms

With an ideal location on the prestigious New Golden Mile of the Costa del Sol, this boutique collection of 15 private four-bedroom villas offers a life of luxury and tranquility. Each villa features a contemporary design with natural materials and is situated close to the elegant Puerto Banús and exclusive Marbella. The villas are spacious and comfortable, with an innovative design that maximizes natural light and views through large windows.

The villas are designed to integrate indoor and outdoor living, with expansive terraces and natural wood finishes that harmonize with the surrounding landscape. They also prioritize sustainable well-being through the use of technologies that minimize water consumption and renewable energy sources.

On the ground floor, the living space is carefully planned to provide comfort, featuring a large glassed-in living room, a dining room with garden views, and a fully equipped kitchen with high-end appliances. On the upper floor, three bedrooms with en-suite bathrooms and a master suite with a walk-in closet and luxurious bathroom offer privacy and comfort.

The exterior includes landscaped gardens, private infinity pools, and a gourmet outdoor kitchen. The ground floor is customizable, allowing for the addition of a bedroom, private cinema, gym, game room, bar, or wine cellar.
