OVERVIEW

Magnificent sunny home of 200 m² renovated with the best finishes for sale in Valencia, near the Turia Gardens and close to the centre.

This apartment is located on a high floor of a building dating back to 1990, with the best quality building materials and finishes. The community has a concierge and security service 24 hours a day. There is the possibility to acquire a garage parking space in the same building (not included in the price).

The apartment measures 200 m² and has been recently renovated with top quality materials and with a very functional layout. All the rooms, except the bathrooms, are exterior facing and, thanks to their height and good orientation, they are very bright.

We access this apartment via a hall with large wardrobes and, on the left, we find the spacious living- dining area divided into 2 rooms, with access to a large balcony and with unobstructed views of a leafy square. Moving on we find the kitchen diner overlooking the street and access to a large gallery and laundry area. In this same area of the home we also find a nice guest toilet.

The sleeping area consists of the large master bedroom with dressing room and bathroom, and 3 double bedrooms that share a bathroom. All bedrooms are very bright and airy as they have large windows and access to a large balcony.

The whole property has heating radiators and hot and cold air conditioning. The windows are tilt-and-turn and double glazed, and they also have mosquito nets and electric shutters.
