Spacious apartment to renovate with a terrace for sale on Gran Vía

6-bedroom family home with great renovation potential for sale next to the Turia Gardens.

This very spacious house with a large terrace is located on Gran Vía del Marqués del Túria, very close to the Turia Gardens and Valencia's most reputable schools.

The apartment requires renovation and has great potential thanks to its size and shape which make it easy for the new owner to design the layout to suit their lifestyle.

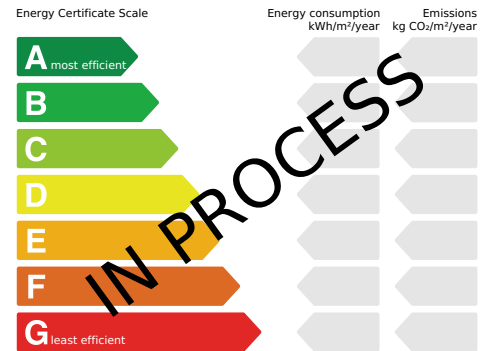

We enter the property via the main entrance or through the service entrance. The main entrance opens up to reveal a hall leading to the huge living area divided into several rooms. This same hall also leads to a corridor that connects with the large kitchen with a gallery overlooking an interior patio, the service bedroom and the service entrance. Both the living room and the kitchen have 2 entrances, from the entrance hall and from the corridor. The corridor leads to the rest of the spaces in the home: the 5 bedrooms and the 2 bathrooms. One of the bedrooms has access to the rear terrace, with space for a table and chairs.

An ideal opportunity for families who want to custom design their own home next to the Turia Gardens, near the best schools and a few minutes from the city centre. Due to its strategic location, it would also be ideal for use as a place of business.
