OVERVIEW

Wonderful luxury apartment with terrace and mountain views at the foot of Sierra Calderona, in an exclusive residential complex.

The exclusive new build development, Los Monasterios Residences, offers this wonderful apartment of 2 bedrooms in a gated and protected residential complex with excellent communal spaces, and a privileged location at the foot of Sierra Calderona. All this, without compromising on easy access to Valencia city, both by road and public transport.

The apartment, designed by the prestigious studio Touza Arquitectos, stands out for its abundant light, high-end materials and finishes and for an innovative layout with connection between the exterior and interior spaces, linking the living spaces with the impressive landscape of the area and the sea in the background.

This cozy apartment offers a wonderful day area, conceived as a large open space, from which you can enjoy wonderful views. The modern kitchen is equipped with Neff brand appliances and the living room has access to a fantastic terrace. This space enjoys sun throughout the day thanks to its privileged southeast orientation. The bedrooms are spacious, comfortable and elegant, and the master bedroom has access to the terrace.

The apartment has built-in wardrobes both in the day area and in the bedrooms to maximise storage space. It also has a practical exterior utility area next to the kitchen. If additional storage space is desired, it is possible to purchase a storage room in the basement of the building.
