OVERVIEW

Fantastic new build home with luxury finishes and materials for sale with a spacious terrace and views of a wonderful natural environment.

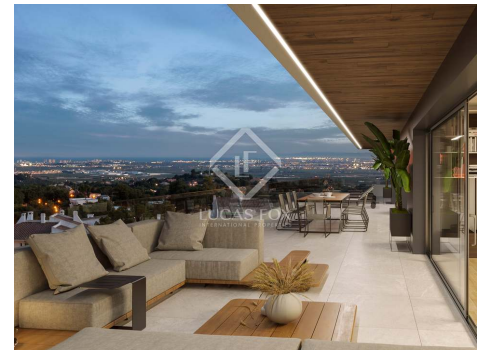

Los Monasterios Residences, an exclusive new development, presents this luxury apartment of 166 m² and 2 bedrooms in a closed and secure residential complex with exceptional communal spaces, and an enviable location at the foot of Sierra Calderona. All this close to Valencia, with easy access to the city both by road and public transport.

The apartment, designed by the famous studio Touza Arquitectos, stands out for its natural light, luxury finishes and materials and for its layout in which the exterior space merges with the interior, uniting the living spaces with the impressive landscape of the area.

The property is bright and spacious, with east-facing rooms, so they enjoy abundant natural light thanks to the large windows in the living room, which leads to the terrace. The kitchen, open to the living room, is equipped with high-end appliances.

In the night area, consisting of 2 cosy bedrooms, we find a spacious master bedroom that enjoys 2 large windows and direct access to the terrace, the ideal corner to take advantage of the sun and the privileged climate of the area while laying in a hammock and taking in the views.
