OVERVIEW

113 m² apartment with 2 bedrooms and 2 bathrooms, furnished and fully renovated with luxury features, for sale in the coveted Pla del Remei neighbourhood, in the Eixample district of Valencia.

This 113 m² apartment is fully renovated with quality finishes and is sold furnished, so the new owner does not have to wait to move into their new home or to rent it and make the most of their investment.

The apartment has 2 bathrooms and 2 bedrooms, one of which is spacious, with the morning sun thanks to its east orientation, a large wardrobe and a bathroom with bathtub and shower and spa cabin. It has a fully equipped kitchen that is open to the living-dining room. This space enjoys double height ceilings with exposed wooden beams that add a unique character and spaciousness. Another of the architect's careful details is the exposed brick wall in the living room, which contrasts with the contemporary materials chosen for the rest of the room.

The living room receives natural light through two large windows, which give way to the property's two balconies. The apartment is equipped with ducted air conditioning and heating by large porcelain radiators.

The building is located in one of the most coveted areas of Valencia, so it is a good opportunity both as a first residence and as an investment.
