Exclusive newly renovated luxury apartment for sale on Plaza España, Valencia

Bright 2-bedroom apartment with luxury finishes, for sale in the La Roqueta neighbourhood of Valencia.

Lucas Fox International Properties presents a magnificent renovated and brand new home with luxury finishes. It is located on the top floor of a modernist-style building with high ceilings and enjoys plenty of natural light throughout the day thanks to its large floor-to-ceiling windows.

On entering the apartment, we find the living room and fully equipped kitchen diner with high-end appliances, which also offers a central island where you can work with the computer.

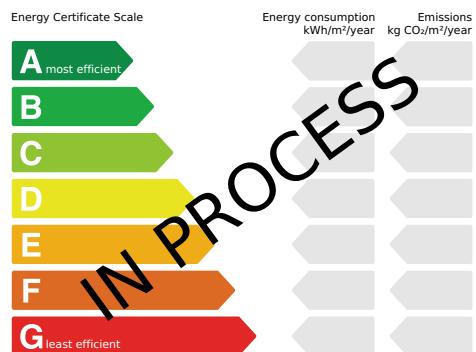

As we move towards the night area, we find on one side of the hall a double bedroom facing the light well and, on the other side, a bathroom with a shower. At the end of the corridor, we find the master bedroom, facing the block courtyard and decorated like a real luxury hotel room, with a jacuzzi bathtub in the middle, separate toilet areas, a washbasin and a separate dressing room.

A true gem in the centre of the city for clients with very high standards.
