OVERVIEW

This exclusive home is located in a building with a concierge service and parking, in one of the best parts of the Pla del Real neighbourhood. It is an elegant home with great renovation potential.

We access the property via a large hall, which gives way to a spacious and bright living room, divided into two rooms. It has two large windows on the façade and a large window with access to a balcony, from which we can see stunning views of the Turia River Gardens and the old town. The living room also has a nice fireplace.

In front of the living room, there is a large kitchen, which is completely rectangular, with a bedroom and bathroom. It also has a practical gallery and a service door, which goes directly to the service lift.

The night area, located at the back of the home, has three large double bedrooms and a bathroom. In addition, we find the master bedroom that offers a dressing room and private bathroom.

The property has individual gas heating.
