### OVERVIEW

## Natural light and tranquillity in this designer penthouse on one of the main streets in the historic quarter of Valencia City.

Located on a street dotted with historic buildings and small palaces, we find this property located in a newly renovated building that has a lift. This penthouse property features quality finishes and great attention to detail.

Its entrance leads on one side to the sleeping area, where there are 2 large bedrooms, each with balconies facing the street and high ceilings. A complete vintage design bathroom serves these 2 bedrooms. Its wooden floor leads to the living room, divided into 2 levels that allow us to separate the living area and dining area.

A complete bathroom is in the hallway, a few metres from the modern design kitchen. The whole property is bathed in light, especially the living room, giving access to a wonderful terrace of 25 m<sup>2</sup> where you can enjoy barbecues and relaxing evenings.
