### OVERVIEW

## A traditional Cabanyal house with modern touches and an extremely private sunny terrace, for sale in a sought-after street.

An immaculately presented house in a quiet and prestigious location close to Cabanyal train station and just north of the renowned Cabanyal beach.

The house has been meticulously refurbished throughout and benefits from 2 private terraces, one on the ground floor and a secluded private roof terrace.

Entering the property at street level, we are welcomed into a private enclosed terrace with storage area for bikes and space for a table and chairs. Once inside the property we have a fantastic open-plan entertaining area with a fully fitted kitchen to the right-hand side with built-in appliances. This large space has 2 windows that allow maximum light to enter.

The lounge boasts many traditional Valencian features including high ceilings, tiled staircase and exposed wooden beams which give the whole room great character. To the rear of the lounge, there is a WC perfect for day guests.

On the first floor, a large landing leads to the 2 double bedrooms that are very bright and generous in size and a full bathroom suite. From this level, there is access to a large terrace that enjoys sunshine from morning to night with built-in barbecue area and space for lounging. Following the staircase, we are in the master bedroom suite with storage along one side and an en-suite bathroom on the other. This bedroom has access to a private enclosed terrace.

A wonderful family home or ideal investment opportunity.
