OVERVIEW

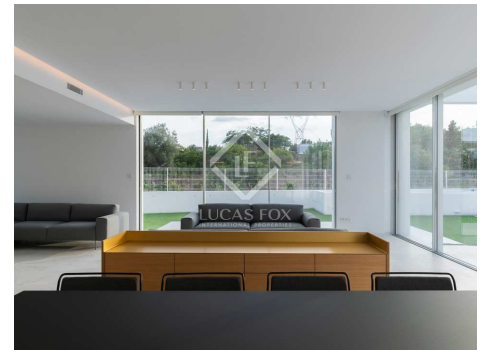

Luxury villa for sale in Torre en Conill, in Bétera.

The villa is spread over 3 different floors, with a total built area of 835 m², 1,000 m² including porches and terraces. The lower ground floor covers the leisure area with several multipurpose rooms, the first floor offers the day area in a large open space, and the first floor provides the night area.

It is a minimalist design house with total respect for modern architectural principles, but with a clearly purist and formal character. The property has been built with great attention to detail, creating a sophisticated and unique home.

In addition, the upper floor has a design with a rectangular prism above the ground, leaving large openings in the south and east facades, which offers excellent views towards the golf course. Even the ground floor rises above the natural slope to offer greater views.

The house has 6 bedrooms, 7 bathrooms and 8 multipurpose rooms, including an indoor pool, gym, games room, cellar and cinema, among others.
