**Bright property with a 65 m<sup>2</sup> large living room and 4 double bedrooms in Cirilo Amorós.**

We present this property on a high and bright floor of a contemporary style building located in Cirilo Amorós. It enjoys a lot of sun and cross ventilation and has two entrances: the main one and the service one.

From the main entrance hall we go to a large living-dining room of more than 60 m<sup>2</sup> with a large balcony that overlooks Cirilo Amorós. Towards the other direction we find the rest of the home. In the most immediate position to the living room is the kitchen, large, very bright and with a laundry room. Also next to the living room there is a separate room or study, which could be part of the day area or used as a bedroom.

If we continue, we find three bedrooms with large wardrobes and en-suite bathrooms. The 35 m<sup>2</sup> master bedroom stands out, which enjoys an extraordinarily sunny orientation. All bedrooms are double and generously sized, as well as bright. The house has a second large balcony facing south and with access from one of the bedrooms.

The quality and finishes of the home are excellent, with stoneware floors and tiles, Swedish pine interior carpentry and white lacquered aluminum exterior carpentry.

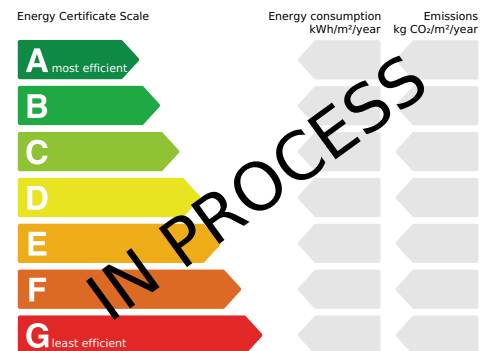

In perfect condition to move into, it is an ideal home for a family in search of large spaces, light, a practical layout and good finishes.

There is one parking space available for an additional price.
