OVERVIEW

Property of 159 m² with a garage space, located on a top floor of a building in one of the most exclusive streets of the emblematic Pla del Remei neighbourhood.

This exclusive apartment is located on a top floor of a building from 1974, perfectly preserved and next to the emblematic Mercado de Colón.

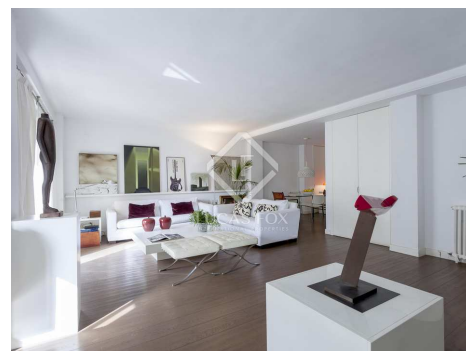

The property was completely renovated a few years ago, with a modern and functional design and a very practical layout, with clearly differentiated day and night areas.

We access the home directly through the living-dining room, a very spacious room with access to a pleasant south-east-facing balcony, so it receives abundant natural light and the pleasant morning sun. The balcony offers beautiful views of the modernist buildings of the neighbourhood. Right next to the living room is the kitchen, with a service entrance, a very functional layout and white furniture and worktop.

At the back of the home is the night area. The master bedroom faces a large, open courtyard, with two large windows that allow in plenty of natural light. In addition to plenty of space, this bedroom offers a practical fully dressed and white lacquered wardrobe, as well as a private complete bathroom with shower. Two double bedrooms facing the patio and a bathroom complete the night area.

The property has individual gas heating by radiators, hot and cold air conditioning, natural wood floors and white lacquered interior carpentry.

The price includes a garage parking space in the same building.
