OVERVIEW

It is the same owner who has designed and built this House, where light, aesthetics and functionality are present in every corner.

Upon entering the house, on the left, we are welcomed by a large window with views, which faces the staircase that acts as a distributor between the living-dining room and the kitchen.

On this same floor we have the master bedroom with en suite bathroom, dressing room, and with direct access to the terrace.

There is also a guest bathroom and another room with a bathroom.

Going up the stairs, the upper floor is divided into 3 bedrooms, a complete bathroom and a study area.

The plot has an area of 750m², with terraces, one of them covered, an 8x4 pool, barbecue, and a consolidated garden with grass, and trees as varied as cypress, lemon, fir, ...

In this exterior part we will also find a covered garage with capacity for two vehicles
