3 Bedrooms
4 Bathrooms
298m² Floorplan

OVERVIEW

Exclusive apartment with high quality finishes, of 300 m² with large living areas, 3 bedrooms, a terrace with excellent views of the Palau de la Música and 3 parking spaces.

We present one of the most special flats in the city due to its location, surface area and finishes. It is located on a high and bright floor on Jacinto Benavente avenue, from where you can enjoy pleasant panoramic views of the Turia gardens. The price includes three parking spaces in the vicinity of the house

The main access to the property is in the central section of the immense living room. The main room of the house is divided into three areas: living area, television area and dining room. The three areas occupy the long façade and have large windows facing the Turia river. On the right hand side of the large main room and demarcated by large shelves there is a generous study and a guest toilet.

Towards the other side there is a large hall that leads to the kitchen and bedrooms. The kitchen is very spacious and has a large central island. It is characterized by being very bright and having a lot of storage space, as well as being perfectly equipped with high-end appliances.

Continuing along the hall, we arrive at the bedrooms. The master bedroom is a fundamental piece in the home. It has a large dressing room in the access area, followed by a very special complete bathroom with a large bathtub and, more reserved, the large bed area. Next to the main bedroom we have another double bedroom, also large and with a private bathroom. In addition to its spaciousness, it stands out for its large wardrobes and its privacy. A third bedroom completes the night area.

The finishes of the home are of the highest quality. The choice of materials is consistent in the different rooms and keeps a contemporary design line as well as a pleasant balance of textures and tones.

Contact Lucas Fox to visit this magnificent property, ideal for those who want to live in a modern design home with large spaces and panoramic views.
