### OVERVIEW

## A home with views of the best architecture in Pla del Remei, spacious and extraordinarily bright, for sale in the most elegant neighbourhood of the city of Valencia.

Lucas Fox presents this spacious corner apartment that occupies the entire sixth floor of a building with only one home per floor located in one of the most beautiful residential streets in the city of Valencia.

Upon entering, a generous hall in the central part of the house welcomes us and gives us access to the rest of the rooms, facing the street or a large courtyard. Up to six rooms overlook the pleasant and tree-lined street of Cirilo Amorós, while the service areas open onto the sunny block patio with a gallery.

The property is exterior facing, very bright and sunny and stands out for its cross ventilation thanks to its huge windows.

The fan-style layout of the home makes it a unique piece and allows creating a practical distribution of spaces and adapting it to the tastes and preferences of the new owner. In addition to having a large surface area and being exterior, its high ceilings help to maximize the feeling of spaciousness.

The great layout, its location, the spaciousness of the rooms, its numerous large windows and the good maintenance of the building and the apartment in particular make this property a unique opportunity.

Contact Lucas Fox to visit this apartment, perfect as a first family residence in an extraordinary location in Pla del Remei.
