OVERVIEW

A romantic house with lots of privacy and great views of lush nature

For lovers of tranquility, enjoy a spacious and comfortable East-facing house with a large garden in a high-end urbanization such as Monasterios.

Lucas Fox proposes this recently renovated property with lots of grace and contemporary style.

The back of the house adjoins a protected natural area that infuses you with oxygen and privacy and in the front you enjoy the views of the Sierra Calderona, we are undoubtedly in a privileged location with soul and character.

Comfortable and practical home since you have three bedrooms on the ground floor with spacious and complete day spaces and a private master suite with a dressing room on the first floor, more typical of a dream hotel. A large space in the basement that you can allocate for whatever you want and fill it with the activities you need. Completed surfaces that allow an optimal quality of life.

Two magnificent outdoor terraces, one cool to the North and the other sunny to the South, will delight its residents in their evenings outdoors.
