### OVERVIEW

## Villa with a pool and jacuzzi located at the foot of the Calderona Mountains, in the Alfinach neighbourhood.

At the top of a hill in the Alfinach residential area, we find this newly built villa with a large number of special features and high quality construction.

The entrance gives us direct access to the terrace, garden and pool, with heated outdoor jacuzzi. The gazebo offers a place to enjoy pleasant quiet evenings outdoors. On the ground floor we find the living area with the large living room with wooden floors.

The kitchen is integrated into this area and recently remodeled, also we find an office and another highlight of the property: a private lift that gives access to rooms in the basement and garage, in addition to the suites on the first floor. Among highlights we find the master bedroom, which has an incredible fireplace, wardrobes and a spacious bathroom with jacuzzi and 2 separate showers.

On the top floor there is a terrace where you can enjoy views of the mountains in the surroundings..
