### OVERVIEW

## Charming spacious and open-plan apartment with a cosy style and balconies facing the spectacular architecture of La Lonja for sale in Valencia.

We present a special home in the historic centre of Ciutat Vella.

The apartment is designed as an open space with a spacious living-dining room and a double bedroom on the loft. The bedroom with storage space is connected to the day area, forming a single space.

There are three huge windows to the southeast that illuminate the colossal double-height space and offer beautiful views of the architectural beauty of La Lonja.

The kitchen and bathroom complete the functional layout of this unique home next to the Central Market and ideal for a couple looking for a special and cosy home in the centre.

The warmth of the materials and the maintenance of the original elements, such as the wooden beams and the carpentry, give this home great personality.
