OVERVIEW

170 m² penthouse to renovate, with a 12 m² terrace, in one of the most privileged areas of the city, in front of the wonderful gardens of the Turia River.

Exclusive penthouse with a terrace, located on a top floor of a building in the Gran Vía neighbourhood, built in the 60s, with well-maintained common areas.

The penthouse is located on the top floor of an 8-storey building, with two houses per floor and a privileged location, on the first line of the wonderful Gardens of the Turia River.

The property needs a renovation, but it has great potential due to the spaciousness of its rooms, and the brightness of all its spaces.

We enter the property through a practical hall, and on the right we find the living room, with two large windows on the front and access to a pleasant terrace of approximately 12 m², with wonderful unobstructed views of green and landscaped areas.
