OVERVIEW

Fully renovated 127 m² apartment with a practical and functional design for sale in one of the best locations in the Gran Vía neighbourhood, Valencia.

This magnificent loft is located in an exclusive building in the Gran Vía neighbourhood, located in a privileged spot, next to the Turia River Gardens, one of the largest green areas in the city. The building, built in 1991, is one of the most emblematic in the area, with unbeatable views, top quality and perfectly maintained common areas. It has two garage floors, so it would be possible to acquire a space for purchase or rent.

The apartment has been completely renovated a few years ago, with a practical and functional layout and top quality materials. We access directly through the day area and find a modern open kitchen with white cabinets, with large storage capacity and all integrated appliances. The living-dining room is open to the kitchen, with microcement floors in grey. Next we find a complete bathroom, the dressing room and the large master bedroom with a reading area. The bedroom has large windows on the facade, facing southeast, making it very bright and sunny.

The entire home has air conditioning through ducts, white lacquered wood interior carpentry and exterior carpentry with thermal and acoustic insulation. If desired, it is possible to recover the second bedroom easily.
