5-bedroom apartment for sale in Gran Vía, Valencia

Apartment with character, beautiful mosaic floors and high ceilings, to renovate and for sale in one of the best locations in the Gran Vía neighbourhood of Valencia.

This 150 m² apartment is located on the upper floor of a rationalist building, on a corner, perfectly preserved and with well-kept common elements, in one of the best streets in the Gran Vía neighbourhood.

The property, although presented in good condition, needs a renovation, especially to achieve a more practical and functional layout.

We enter through a large hall, which gives us access to three large rooms, with large windows facing the facade, through which abundant natural light enters. All of them benefit from beautiful original mosaic floors, very well preserved, each with a different design, but always playing with the same colour schemes.

To the left of the hall, we have other rooms, with a window to the light well and following the corridor, we have access to a complete bathroom, a guest toilet and a rectangular kitchen.

At the rear of the home and facing a large and quiet courtyard, there is a large room, which could well be the master bedroom, with wonderful and colourful Nolla mosaic floors.

The entire home maintains the original mosaic floors very well preserved, the high ceilings with mouldings and interior wooden joinery.
