190m² Built size

OVERVIEW

We present this spacious 190 m² property with a calm, sophisticated atmosphere in a Modernista building at the heart of Valencia's Old Town.

The lobby of the building provides an elegant entrance to an equally elegant property. The entrance hall of the apartment connects the 2 living areas, one of which is next to the main street and the more private one overlooks the interior facade.

4 spacious bedrooms of perfect proportions make up the sleeping area. 2 bathrooms and a toilet compliment the bedrooms and the living area, along with a elongated gallery beside the bedrooms and kitchen space.

The personal and sophisticated design covers every corner of the home, with great attention to detail in the woodwork, lighting, fixtures and fittings.

Highlights of this property include the serene atmosphere and spaciousness of the rooms, along with a great central location in the most popular district of the city.
