OVERVIEW

House with private pool for sale in the town of Rocafort, Valencia.

Lucas Fox presents this excellent independent villa with garden and pool for sale in the town of Rocafort in Valencia. It is an opportunity to acquire a property in one of the most demanded municipalities, a short distance from all amenities, shops and public transport.

The house is distributed over three floors, plus the lower ground floor and has outdoor space on the plot to park a car. On the ground floor, there is the open-plan day area with three rooms: a well-differentiated space that is intended for a study or reading area, a living room area with its fireplace and the dining area next to the terrace and the kitchen. The kitchen has a dining area for everyday use, as well as a space for washing clothes and general storage. All this has been recently renovated.

The different bedrooms are distributed on the upper floors, four of them double, with access to a terrace and facing east.

The house is equipped with radiator heating and individual air conditioning units in most rooms. The property enjoys a pleasant terrace facing east, with a built-in paellero/barbecue, a garden with risk of spraying and a heated pool.
