OVERVIEW

Large, bright property to renovate for sale in Pla Real, Valencia. Ideal as a family home or as professional offices.

Elegant home with 3 bedrooms and 2 bathrooms in a stately building in the heart of the Pla Real in Valencia. The property, which has served as an office until now, is especially bright and is in a building with a very good security service. The property has spacious rooms and the option of a service entrance in the apartment.

The entrance to the property leads directly to the hall and simply leads us towards the other rooms. It requires full renovation but, thanks to its layout, it offers the potential to become an impressive home in one of the most sought after areas of the city of Valencia.

A garage parking space included in the price makes this a very interesting opportunity for clients who wish to have a new home with good services.
