OVERVIEW

Special, charming villa , surrounded by nature for sale in Náquera, Valencia.

Lucas Fox presents this villa that enjoys an unbeatable location, in the exclusive and historic area of Villas de Náquera, next to the countryside club and facing the Sierra Calderona. The villa is perfectly connected and close to the town center of Náquera, less than two kilometers away, where we will find all the amenities necessary for daily life.

We found a truly special villa , full of history on a beautiful plot of almost 4,000 m². The entrance gardens of the property lead us to the access stairs to that stately mansion.

After crossing the entrance door, there is a beautiful and spacious living-dining room, which has wooden beams, high ceilings, fireplace, large windows and terraces with mountain views. The kitchen and bathroom complete the layout of this main floor .

An original spiral staircase will lead us to the upper floor , which houses six bedrooms, several with access to a terrace with mountain views, a cozy living room with fireplace and two bathrooms.

The second floor has three bedrooms, a bathroom, a secondary kitchen and a large study with an attic ceiling and completely lined with wood.

The exterior is impressive, surrounded by the forests and mountains of the Sierra Calderona. The large size of the garden allows us to enjoy different corners, such as the pool, the pergola area, the well or the viewpoints. In this exterior area we will also find the vehicle parking area, as well as two service houses and a barbecue area.
