OVERVIEW

Luxurious house for sale in a safe area of the Torre en Conill development .

Lucas Fox presents this superb property in the Torren development in Conill de Bétera. It is an exclusive and especially luxurious property , as we can see in the pivoting door at the entrance, which even required a generously sized crane to install.

It is a very bright property , with continuous white microcement and white walls, which accentuate the luminosity. In addition, it has large spaces, such as the 100 m² living room with double height ceilings and huge floor-to-ceiling windows. The kitchen is connected to the living room. Likewise, an study open to the living room with views of the Sierra Calderona is offered.

On the other hand, it offers meeting spaces and events with friends and family, such as the beautiful barbecue and paellero at the back of the plot, the pool, the garden.

In addition, on the lower ground floor, there is a bar next to the billiards for moments of leisure and fun. It has a garage for three vehicles and a play area.

The plot borders a non-buildable area and the high hedges that it has generate a privacy that is difficult to find in a single-family home.

In short, a great property in a private environment with maximum security where privacy is a priority. Get in touch for more information.
