OVERVIEW

Large property to renovate, with great renovation potential, for sale in a building from 1960 in the Pla del Remei neighbourhood , Valencia.

This spacious property is located on the third floor of a building built in 1960. It is located in the heart of the Pla del Remei neighbourhood , on a quiet street, very close to the Colón Market and Gran Vía Marqués del Turia.

The property needs a comprehensive renovation , but offers great possibilities due to its rectangular floor and large dimensions. It is an ideal property for a large family, looking for large spaces and to be able to make a layout to suit them.

At this time the property is distributed in a large entrance hall, an L-shaped living-dining room , with several rooms and access to a pleasant balcony facing the façade. It also has a large kitchen, with a gallery, pantry and service area.

The night area is distributed in four large bedrooms, including the main bedroom with a private bathroom. Another bathroom completes the layout of this property.

The property faces east-west, so it has pleasant cross ventilation and is very cool in the summer months.

It has gas central heating and in the same building we have an individual storage room for each property.
