Excellent 8 Bedroom house / villa for sale in Los Monasterios, Valencia

Spectacular, new developed house at the foot of the mountains, with indoor and outdoor swimming pools, built in, original Turkish baths, home cinema, gymnasium area with stunning sea views!

We present this new developed modern house located in one the most sought after neighbourhoods in the whole of Valencia - Los Monasterios. All of the bathrooms and kitchens are Porcelanosa finishings and the house has been constructed with high end materials throughout. There is a lift to each level and the house has underfloor heating installed.

Just a twenty minute drive to the city and close proximity to the popular International schools Caxton College and the American school of Los Monasterios, the house is split over three levels.

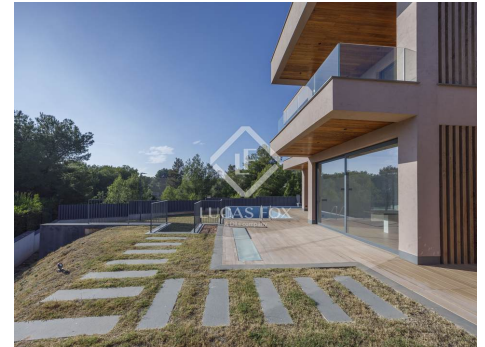

On the first floor you will find the modern, stylish open kitchen and spacious living room, both with access to the outside terrace and swimming pool area. The guest bathroom and two bedrooms are also on the first floor which could be also used as office spaces.

On the second level is the master bedroom with a great outside terrace overlooking the pool with breath taking mountain and sea views. Then there are three more bedrooms with ensuite - all which have access to the wrap around terrace on the outside of the house with the same views.

Underneath the house you will find a spacious garage big enough for 6 vehicles and then a self-contained area with two more double bedrooms, a bathroom and toilet (perfect for visitors) and a full functioning modern kitchen, a separate laundry room and a great sized storage room.

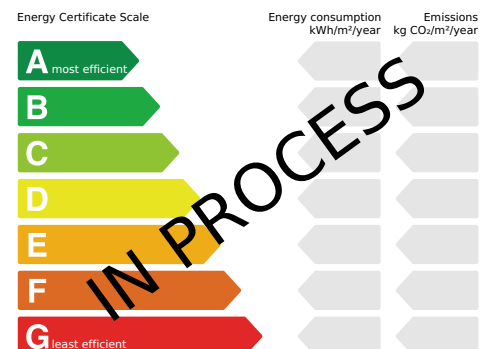

At the other side on the same level of the house there is an indoor swimming pool (the only house in Los Monasterios to boast outdoor and indoor pools!) and a then a customised original marble Turkish bath (steam rooms) with toilet and shower at either side. There is also a gymnasium and a home cinema with sound proofing and surround sound installed.

Throughout the house there are air-conditioning vents all on splits – hot and cold and a fireplace in the living room. The house has a central alarm and cameras already installed. Please contact us for more information and to organise a viewing for one of - if not the best house in the whole of Valencia.
