OVERVIEW

Large two-story house, with a 250 m² floor on a pleasant 700 m² plot with a pool and barbecue area for sale in La Eliana.

Lucas Fox presents this pleasant Mediterranean-style villa in La Eliana. The property sits on a 709 m² plot, on the corner of two streets and with an unbeatable orientation to the southeast, making it very sunny.

It is distributed over two floors, with an area of 250 m² according to cadastre.

We access the property through a practical entrance hall on the ground floor. Next, we have a spacious living-dining room, with a rectangular floor, very cheerful and sunny, with large wooden windows with access to the garden area. The ceilings have beautiful natural wood beams and there is a pleasant fireplace, ideal for the coldest months of the year. Adjacent to the living-dining room area is the kitchen, which is generously sized and has a large storage capacity and enough space to set up a table and chairs. On this floor we also find two bedrooms and a full bathroom.

On the first floor, the night area is arranged, with four bedrooms, one of them with access to a pleasant terrace and a full bathroom.

The property enjoys a comfortable 709 m² plot, two streets away, with a swimming pool and a barbecue area with a summer dining room and a guest toilet.
