OVERVIEW

Completely renovated and furnished semi-detached villa with excellent sea views from all its rooms for sale in the Cullera Park development , in Cullera.

The house is completely renovated and is sold with furniture included in the price. It is very bright thanks to its southeast orientation and has a privileged location, with sea views and terraces in all the main rooms.

This semi-detached property is distributed over three floors, with terraces on all of them.

On the main floor , there is a living-dining room, with high ceilings with wooden beams, a fireplace and fantastic views of the sea, as well as the spacious and renovated kitchen.

We go down the stairs and find a first floor where there is a double bedroom , a full bathroom and the main bedroom with a private bathroom, terrace and sea views.

On the second floor, we have a large bedroom with a private full bathroom with a jacuzzi, as well as an open study with a terrace and a storage area.

Finally, there is a garage for one vehicle, but there is an area near the house set up as free parking that can be used to park a second car.

The house has direct access to the pool area, where we can also enjoy the social club, restaurant, tennis court and gym.

It is just 400 meters from the beach and at the door of the development, we find public transport and a school bus stop to the British College of Alzira.
