OVERVIEW

Beautiful independent house for sale in the fashionable area of Alfinach, Valencia.

Lucas Fox presents this bright design house with very identifying features for sale in Puzol, in a quiet area next to the American School.

The property is located in the upper part of a south-facing plot that allows you to enjoy abundant light in all its rooms. As you can see in the photos, the light enters the rooms and gives great clarity to all the rooms.

The property is recently built, but it has also been improved with all kinds of details and furniture that gives it a contemporary character, with other tones that predominate and with a clear prominence of wood as a decorative element. The house has a total of six bedrooms and four bathrooms to serve a large family that wants to enjoy this family-friendly property .

The property enjoys a swimming pool in a small community that allows you to save on maintenance costs.

The property is located in the Alfinach development , but you are not obliged to pay the maintenance costs of the social club. Monasterios and Alfinach offer a great lifestyle with security and control measures, in continuous contact with nature given their location in the Sierra de Calderona.
