OVERVIEW

Fabulous penthouse property with a terrace and great views on the best street in the El Pilar neighbourhood of Valencia Old Town. Plenty of privacy.

On one of the liveliest and most unique streets in the El Pilar neighbourhood, we find this fabulous property. The apartment is located on the top floor of a building with a garage, concierge and 24-hour security service; an oasis of privacy and comfort in the middle of the city.

The property has 2 terraces, one covered and another open one of 125 m² with marble flooring. Upon entering we immediately perceive the attention to detail and quality of finishes, starting with the natural wood floors and high-end metal tilting window frames. A guest bedroom is found here next to a large bathroom with a dressing room in front of it.

The fully equipped kitchen gives way to a glazed conservatory area with access to the terrace and which is perfect as a winter dining area, and for spending the evening enjoying the Mediterranean climate. Moving on we find the master bedroom with an en-suite bathroom. Finally, we find the living room, a space of 70 m², surrounded by the wonderful terrace and large glazed area.

The terrace surrounds the property and is hidden from prying eyes by its metal enclosure, which allows us to enjoy the view without compromising on privacy. This penthouse comes complete with a garage parking space in the same building.
