OVERVIEW

Spectacular new build house with premium qualities, large spaces and sea views for sale in Cullera.

Lucas Fox presents this house for sale in Cullera, whose architectural design of this property is inspired by the elegance and functionality of a sailboat.

It has strategically located windows that allow in natural light and offer panoramic views. In addition, colors and materials have been selected following the maritime inspiration, with soft tones and materials resistant to coastal conditions.

The property is distributed over three floors, each with large spaces.

The main floor is practically occupied by a spacious living-dining room with a kitchen diner with large windows that lead to the garden and pool. From here, you can enjoy exceptional views of the sea. This floor also has a bathroom.

The upper floor has a program with four bedroom in total: two double bedrooms with private bathrooms, the main bedroom with private bathroom, dressing room and terrace and another designed as an study.

The lower ground floor, in addition to a garage of more than 100 m², has a bathroom, storage room and utility room.

The house will be ready to move into between the end of 2024 or the beginning of 2025. Contact us for more information or to organize a personalized visit.
