OVERVIEW

Excellent investment opportunity to acquire this nineteenth century building for use as tourist accommodation or for private residential use.

On a pedestrian street in the La Xerea neighbourhood, a few metres from Plaza Tetuan and Calle de la Paz, we find this unique building dating back to 1885, which has a ground floor and 2 upper floors, with the possibility of building an additional floor.

The building that underwent structural renovation in the late 70's has a private garden on the ground floor as well as large sunny terraces on the first and second floors.

It is possible to install a lift and adapt the building for the purposes of offering accommodation services or to make it an impressive private villa for residential use.
