OVERVIEW

Incredible 201 m² apartment, with 3 bedrooms, a study and a beautiful terrace, very bright and sunny, for sale in a strategic location in the Seu neighbourhood , Valencia.

This apartment is located on the top floor of an emblematic building in the centre of Valencia, strategically located next to the Town Hall Square and close to Calle Colón. La Finca has a daytime concierge service and 24-hour security and the property has a parking space with direct access from the building.

The property has recently been completely renovated , with top quality materials and a practical and functional design.

We enter through a practical entrance hall and on the right hand side, we find the main bedroom, with a large dressing area and private bathroom. Next, we have two double bedrooms, of large dimensions, both with large windows facing the façade, so they receive plenty of natural light. They have a large closet area and enough space to have a study area, with a large table. A full bathroom , of generous dimensions, serves them. In addition, the property has a practical independent study or study , ideal for working or using as a reading area.

The living-dining room area, completely exterior and of very large dimensions, has large floor-to-ceiling windows and offers access to an incredible terrace with impressive unobstructed views. The kitchen is open to the living room, with a large central island with the cooking area and a large dark-coloured cupboard, with all the high-end appliances integrated. It has a practical separate utility room area.

The property includes porcelain floors, hot/cold air conditioning through ducts, individual gas heating through radiators, exterior carpentry with thermal and acoustic insulation and interior carpentry in natural wood.
