OVERVIEW

Marvellous palace made up of a ground floor, main floor and attic in the best area of La Seu.

In one of the most unique and peaceful streets in the historic quarter we find this wonderful property; a 2-storey palace to renovate.

On the ground floor we find various rooms used for commercial purposes and an impressive staircase taking us to the main floor and ending at a large skylight. The main floor is completely exterior with numerous windows and viewpoints. High, coffered ceilings and mosaic flooring make this a real stand-out property.

The attic, with direct access to the main floor and a terrace, completes the property. Overall a fantastic investment opportunity.
