OVERVIEW

Family-Friendly villa with sea views for sale in the Cap Blanc development of Cullera.

This spectacular family-friendly villa stands out for its location in the Cap Blanc development and its proximity to one of the best beaches in Cullera, where you can enjoy its fine sand and transparent waters. In addition, it has a robust construction and spacious rooms.

The house was built in 2001 with high quality materials. It also has an excellent orientation and large terraces on both floors where you can enjoy the views. It is distributed over two floors, plus the lower ground floor.

On the main floor , we find a large living-dining room with a fireplace and access to the first terrace with sea views. Next to the living-dining room, there is a large kitchen, also with access to the back of the plot. This area would be ideal for locating the barbecue, next to the fruit trees.

Going up the stairs, we reach a living area equipped with a kitchen that gives us independence and support on this floor and is located right in front of the second large terrace with views. Next, there is a corridor that ends in a balcony and which distributes the four bedrooms and two complete bathrooms.

The garage can accommodate a minimum of four vehicles and also has a storage area.

Exterior the house, we find a garden area with different varieties of plants and fruit trees, the swimming pool and large terraces where you can enjoy outdoor life.

Please do not hesitate to contact us for further information or to arrange a personalized visit.
