OVERVIEW

Bright designer loft with high ceilings and ample versatile space for sale in Valencia.

Lucas Fox presents this 190 m² loft for sale in Valencia, right in the historic centre .

We enter the property and find a 65 m² open-plan room that offers countless possibilities for dividing the space. To the right of the main entrance is a multipurpose room. Next to the door access into the property is a toilet integrated into the wall. After crossing the entrance, we find two side hallways. One leads directly to the living-dining room and is set up as a spacious office. The other leads to the night area, where the main bedroom is located with a dressing room and private bathroom. Continuing along this corridor to the left is the generously sized kitchen, which finally leads to the 37 m² living-dining room . As it is located in the courtyard area, it receives abundant natural light. The kitchen with a peninsula is fully equipped with integrated and paneled appliances and features custom wrought iron shelving for increased kitchen storage. The entire property has a central ducted hot and cold air conditioning system.

This property stands out both for its interior and its privileged location. This historic area offers many leisure and cultural options in one of the most exclusive areas of the city. It is located in a pollution-free pedestrian zone.
