OVERVIEW

Large stately apartment for sale in the centre of Valencia.

Lucas Fox presents this period apartment located next to the Town Hall Square, in the centre of Valencia. It is located in a building with an emblematic façade, of family-friendly origin, and topped with two spectacular domes that add even more beauty to the building.

This is a stately property with high ceilings and generous spaces. It stands out for its moldings, light, and carved period doors. The spaces are spacious, and their height further reinforces the feeling of spaciousness.

The third- floor property has a generous balcony for enjoying the views and atmosphere of the centre. The apartment consists of a living-dining room with an open kitchen, three very spacious bedrooms (especially the main bedroom), and two bathrooms.

The property has been renovated and the common areas are being updated.
