OVERVIEW

New build detached property for sale with garden and 4 bedrooms.

This property is part of the Campolivar Residence development , a new build of an exclusive residential complex of 6 luxury single-family villas.

The villa has a total constructed area of 271.10 (option with basement) and 230.94 square meters (without basement option), and sits on a plot area of 500 square meters. It consists of a ground floor, first floor and basement (optional). On the ground floor there is a large dining room living room with access to a terrace, the dining room living room leads to an open equipped kitchen, next to the kitchen a utility room, the ground floor is completed with a double bedroom with an en-suite bathroom and a lobby that corresponds to the main room, from which you can access a balcony. The first floor consists of 3 double bedrooms, one of them with an en-suite bathroom and an open dressing room, another full bathroom serves the other two rooms, from two double bedrooms you can access a private terrace. Optionally, a basement floor of approximately 30 m2 ventilated with natural light through a skylight is offered.

The property will have porcelain stoneware flooring, the interior doors will be floor-to-ceiling, lacquered in white, sliding folding according to areas, the wardrobes will have white lacquered doors and interior wooden cladding, the entrance door to the property will be armoured security. As for the exterior carpentry, it will be made of aluminium with CORTIZO thermal break (RPT) and Climalit type double glazing, the exterior and interior railings will be made of safety glass. As for the bathrooms, the tiling is expected to be with high quality porcelain stoneware on vertical and horizontal walls, PAMESA brand or similar, the toilets will have a concealed built-in cistern, DURAVIT brand or similar.
