OVERVIEW

Stately property with a classic character, notable for its spaciousness and abundant natural light. A regal 1950s building with concierge service.

We present one of those homes with soul. Located on the fifth floor of a stately building with a concierge. This property stands out for its spaciousness, classic elegance, and extraordinary light.

Upon entering, the first thing that catches your eye is the high ceilings in the spacious entrance hall, where the original moldings are preserved.

The property features a spacious dining room living room with a balcony, a spacious equipped kitchen with a service door. It also includes five very spacious bedrooms, all with built-in wardrobes. Two complete bathrooms, distributed to serve both the day area .

It has a main entrance and a service door that can be accessed directly from the elevator with a private key.

This is an ideal property for those seeking light, spaciousness, and location. Just a few meters from the town hall square and the old town.
